

Strengthening volunteer programs within the unique structure of local governments through leadership, education, advocacy, net-working, and information exchange.

MEMBERSHIP CATEGORIES - NAVPLG

Local Government Individual (\$50) Premier membership for individuals focused on volunteer management in any local government setting, including program directors, managers, administrators, and officials. Each member will have equal voting rights in the matters of NAVPLG. **New individual members after July 1 can join at the prorated dues of \$25.**

Local Government Group (\$200) A local government group, defined as any current dues-paying county or municipality, includes membership for up to six individuals from the same organization. Group members have the same responsibilities and privileges as individual members. **New group members after July 1 can join at the prorated dues of \$100.**

Citizen participation is important to the vitality of local governments. Board of Directors, representatives, chairs, committee associates, and members form close-knit, working relationships to magnify the social return on volunteer engagement and network with local government officials to strengthen the volunteer workforce and supplement the diverse programs that nourish and fortify our communities. NAVPLG welcomes active participation by NAVPLG members to serve on the Board of Directors.
