

## WHY JOIN NAVPLG?

**NAVPLG focuses exclusively on the unique needs of volunteer programs within the structure of local governments.**

**Challenges and issues for volunteerism in municipalities and counties can differ substantially from those in private non-profit volunteer programs.**

**NAVPLG offers resources and expertise to local government officials. The association promotes ways in which volunteerism can strengthen our diverse programs by sharing best practices, training, and networking opportunities. We focus on both volunteer and government organizations.**

If you are involved with volunteers in any local government setting, including, but not limited to, county, city township, borough, parish, look into what NAVPLG can do for you and your program.
